## PRESS VOICES

*"Soil Collectors at 12 Points. You'll not see another gig like that this year. Unreal. I'm still scared. (...) "This is elemental stuff, and a barely believable musical experience that's a privilege to witness."*

- [Irish Times](#), Laurence Mackin (from 12 points festival)

*"...One of the most creative contribution this year. (...) American sing&songwriter-tradition with exceptionally original twists. Beautiful!"*

- [Jazznytt](#), Jan Granlie (from 12 points festival 2013)

*"...Intersections of choral traditions, pop and improvised music with a provocative, energetic as well as theatric approach (...)*

- [All about Jazz](#), Henning Bolte, (from Umeå Jazzfestival 2013)

*"I have never heard anything like it. (...) A powerful sound that alternates between epic soundscapes, often created in the moment, and gorgeous subtle compositions"*

- [Tabberaset](#)

*"... Something wild and enchanting is at work here, tapping into Nordic choral traditions, shamanism and the open, uncultivated earth."*

- [12 Points Festival](#)

*"...Two improvising voice artists with live electronics and percussion. Those kinds of total free seances were happening in the 60s, but now found a new room with seriousness of our uncertain future, yet with positive optimism, joy, beauty and powerful energy. "*
